

New York Archaeological Council
Associate Membership Application

NYAC is a not-for-profit corporation the membership of which consists of professional archaeologists, graduate students, undergraduates and members of the public practicing or interested in New York State archaeology. The Associate Membership category is for undergraduates and non-professional archaeologists who want to receive information and attend NYAC's meetings and activities by becoming a NYAC Associate.

The fee for Associate membership is \$15.00, for which you will receive a minimum of three mailings per year, including general meeting minutes, announcements and the newsletter. Admission is automatic upon receipt of payment.

To become a voting member of NYAC you must apply to be a Full Member or Graduate Student Member. This is a more involved process. If you wish to apply to either of these categories please visit the NYAC membership page at <http://nysarchaeology.org/nyac/join-nyac/>. For further information email **Marie-Lorraine Pipes, NYAC Vice-President:** pipesml@aol.com.

We welcome your interest in NYAC! To become a NYAC Associate Member please return this form with check made out to 'NYAC' for \$15 and return them to:

Ann E. W. Morton
1215 Macedon Center Road
Macedon, New York, 14502

THANK YOU!
