

The Funk Foundation's 2019 Grant Cycle

The Robert E. Funk Memorial Archaeology Foundation, Inc. is initiating a 2019 grant application and funding cycle for grants of up to \$2,500.00. The Funk Foundation grants support archaeological research conducted in New York State or on archaeological collections from New York State. These grants are ideal to assist portions of stand-alone research projects or studies that are parts of larger projects. For example, Funk Foundation grants have been used successfully to support a range of services such as faunal analysis, radiocarbon dating, petrographic slides, remote sensing, and isotope analysis.

Grant applications must be received by May 10, 2019. The grant applications will be reviewed in a competitive process by the Funk Foundation Board of Directors. Award decisions made by June 14, 2019. Further information including the grant application forms is found on the Funk Foundation website at www.funkfoundation.org. If you have any questions, please email Funk Foundation Board of Directors President Ed Curtin at ecurtin12003@yahoo.com, or call Ed at (518) 884-7105.

The Robert E. Funk Memorial Archaeology Foundation, Inc., is a tax-exempt, 501(c)(3) nonprofit organization, dedicated to supporting archaeological research by student, avocational, and professional archaeologists.
