New York Archaeological Council Dues Notice 2018

New York Archaeological Council 2018 dues are now due. Please remember that any NYAC member who falls more than two years and three months behind in dues payments will be removed from the active mailing list. In order to return to the list, the current and previous year's dues must be paid. Any member who is in danger of being removed from the current mailing list will be notified before mailings are stopped. As always, Archaeology Month, Educational Outreach, and Robert E. Funk Memorial Foundation and the Legal Defense Fund are in need of support. Please feel free to use this opportunity to make an additional tax deductible contribution to one or more of these funds. Thank you in advance for your prompt response to this notice.
